

Underwood Artspleasure

May 15, 2008

If you are new to Underwood this year, you may have heard mention of Artspleasure but wondered about the details of this annual tradition. Artspleasure is a delightful evening for parents and children to celebrate the arts together at Underwood. Co-sponsored by the PTA and the Underwood Arts Team, Artspleasure also raises crucial money to supplement arts funding at our school. For example, art supplies, costumes, musical scores, clay, scripts, and instrument repairs are all funded with the money raised at Artspleasure.

If you're thinking "Artspleasure" sounds a lot like "Artspllosure," you're correct! In the early days of the Raleigh-sponsored "Artspllosure," many WCPSS schools, including Underwood, were invited to participate. As Artspllosure evolved, that participatory model changed, and Artspleasure was born at Underwood. On that evening, you can roam the campus watching some of the 4th quarter elective classes perform including: dance, French, drama, band, strings, and hand bells. Stop in the cafeteria for a pizza dinner and to make a sundae. Work together with your child to create a family craft. Conclude the evening at the popular Sock Hop. Mark your calendars now for:

Artspleasure

Thursday, May 15 (rain or shine)

5:00-8:00pm

Events occur throughout the Underwood campus

You may be wondering which parts cost money?

- Performances are all FREE!
- Simple meal and beverage items cost \$1 and \$2
