

HELP UNDERWOOD **GO GREEN** AND RAISE MONEY FOR OUR SCHOOL!

The Underwood PTA is sponsoring a Cash-4-Kids retired cell phone and empty inkjet and toner cartridges recycling program.

Please bring your retired cell phones and empty inkjet and toner cartridges (from the original manufacturer) to the bin in the media center. These will be sent for recycling to Cash-4-Kids who will pay us for the items.

Please collect from your family, your friends, your place of work and any others businesses you frequent regularly. What an easy green initiative and way to raise money for our school.
