FOOD LABEL PROGRAMS

These items can be sent to your child's teacher or placed in the white plastic cans at the entrance to the Media Center. Please place them in bags labeled with the teacher's name so that the classroom can be given contribution points to be used in prize drawings!

Campbell's Labels for Education program gives us points for the barcodes off soup cans and other Campbell's products like Goldfish. You DO NOT need to send in the entire soup label - just the bar code.

Box Tops for Education pays \$.10 for each box top we send in. These add up fast!

Harris Teeter milk caps - from Harris Teeter and Hunter Farms ½ gallon or gallon containers of milk - are worth a nickel each. Rinse them off and send them in!

Tyson's ABC labels (from the tops or ends of packages of Tyson's products) are worth \$.24 each.

Watch the newsletters this year for more information about these programs and about classroom prize programs for those sending in labels, box tops and milk caps.
