

# Underwood Food Labels and Cash Back Program

## Current Labels Collections

**General Mills Boxtops for Education**  
**Campbell's Labels for Education**  
**Tyson Labels A+ Project**  
**Harris Teeter TIE Milk Challenge**

All labels (and HT milk caps) should be clipped and sent in during the 2 promotional times if possible. A "can" is located in the media center and labels can be placed there at any time. We will have a contest among the classrooms in December and March of each year awarding prizes to the classrooms that collected the most labels. Please check expiration dates and place labels in plastic baggies with your child's teachers name on it. More information on specific contest dates will be sent out prior to each event.
