Staggered Entry Information

You will receive a note from the school explaining your child's staggered entry date. On that date, your child will only need a snack and a lunch (or \$2.00 to pay for lunch) and any necessary medical supplies. Backpacks and additional supplies are not needed until your child is placed in a classroom.

Parents will need to walk in and drop off their child in the Kindergarten hallway on the staggered entry day. There will be a brief sheet to complete concerning transportation and contact information.
