

FIDELITY FUTURESTAGE STUDENTS AND FAMILIES DISCOUNT TICKET OFFER FROM THE NORTH CAROLINA SYMPHONY

YOUNG PEOPLE'S CONCERTS

Watch your kids go crazy for classical music! Concerts are one hour, and targeted for children from 3-10 years old. Be sure to join us for the hour prior to each performance in the Meymandi Concert Hall lobby for a hands-on pre-concert activity, the North Carolina Symphony Instrument Zoo. Our musicians will demonstrate their instruments and give your children the opportunity to try them out.

As part of this special offer from the North Carolina Symphony, families will be able to receive this discount for the following performance. Adult tickets are \$5 each and kids are FREE.

Saturday, Oct. 31: 11:00 am **“The Phantom of the Orchestra”** (Adults \$5 kids FREE)

A ghostly musician enters the stage and plays Bach's Toccata and Fugue, thus calling forth the “phantoms of the orchestra” and a visually stunning concert program that brings the story of the Sorcerer's Apprentice to life. Now the conductor, and his nervous assistant, must use the power of a silver baton to control the phantom orchestra and lead a concert; but trouble arises when the apprentice attempts to emulate the master.
